Welcome to Conclave 2001

Dear Fellow Arrowmen,

It is with great pleasure that we welcome you to the 2001 Conclave at Pipsico Scout Reservation. For those of you who may be new to a Conclave, there are many activities in which to get involved. Training of all types will be conducted on Saturday morning, ceremonies competitions will be held in the afternoon, and various sports activities will be played in the afternoon as well. Plan on seeing some of the dance competitions that will be held at the Indian Village and the Conclave Show will be one not to miss. Conclave is a great weekend to meet other Arrowmen from the Lodges in our Section and is a good time for Lodge fellowship. Don't forget about the Section Officer elections for the upcoming year that are held on Sunday morning. If you have any questions, talk to your Lodge Chief, Lodge Advisor, Lodge Conclave Chairman, or one of the Section Officers. There are indeed many things to do at Conclave, but most of all, have an great time.

Many thanks go out to the members of Blue Heron Lodge for the set up and the planning of this spectacular weekend. All of these dedicated Arrowmen have been committed to making sure this weekend runs smoothly and is one of the best Conclaves this Section has ever had. Our hats are off to you gentlemen. Let's have some fun.

In Cheerful Service,

G. W. Zuban
Section Chief
