Training

The training opportunities of a Conclave are unique opportunities to find more about our Order and learn about things that interest you.

As this booklet is printed there are fifteen different training sessions scheduled. The sessions will all occur Saturday morning at five locations in camp. Those locations are: Health Lodge shelter; Trading Post porch, Handicraft shelter; Aquatics shelter; and Bowman Lodge. Check the *Legend* for specific sessions and times. You need to attend two training sessions to earn the participation pin.

World Jamboree

Staff from the upcoming World Jamboree in England will be present and want to talk to you about going. They will be in Bowman Lodge.

Meals

All meals will be served in the Dining Hall.

Due to the number of Brothers attending we will need to serve breakfast and dinner in shifts. Your identification card is coded with a dot to indicate which is your mealtime.

Saturday's lunch is a box lunch that may be picked up at the porch of the dining hall.

Please check the schedule for meal times.

Please note that your nametags will serve as your meal pass, be sure to wear it
