Blue Heron Lodge #349 Order of the Arrow

April 28, 2017

Brothers,

Welcome to Pipsico Scout Reservation and to the 2017 SR-7A Conclave! I'm very excited to be here this weekend and hope you are too. Blue Heron Lodge #349, your 2017 service lodge, has put in many hours of cheerful service over the past year preparing to provide an exhilarating Conclave experience to all participants.

I would like to extend an enormous thank you to both the members of Blue Heron Lodge, especially Conclave Chairman Seth Greiling and his Core Four, which consists of Justin Chesnut, Austin McCloud, Evan Lilly, and JT Gajewski. I would also like to thank the SR-7A Council of Chiefs for putting this event together. If you are in need of assistance at any time during Conclave, please look to anyone in a staff t-shirt; we will be more than happy to help!

This year, our goal must be to Fuel the Reaction along with our fellow Arrowmen so that as many people as possible can experience the spirit of Scouting. Together, we can make a change. Together, we can Reach for the Stars! Once again, welcome to Conclave and have a wonderful time at Pipsico Scout Reservation this weekend!

WWW,

Will Scheib
2017 Blue Heron Lodge Chief

Southern Region #7A Order of the Arrow

April 28, 2017

Brothers,

It is with great excitement and eagerness that I welcome you to the SR-7A 20th Anniversary Conclave at Pipsico Scout Reservation where we will continue to Fuel the Reaction into our Order's Second Century!

Your Conclave leadership has been hard at work to provide for you an unforgettable experience as we cap off 20 years of cheerful service in SR-7A. Head over to stuff some potatoes at the Conclave Service Project, and then cheer on your lodge as they compete in a Quest event. Stop by the EXPO to see all of the awesome exhibits we have lined up, and certainly don't miss the Saturday Evening FireFest followed by a 20th Birthday Party! Also, be sure to pay close attention to all the crafty signage around camp, and see for yourself how it plays into our theme!

I implore you to make the most of Conclave by taking full advantage of what is offered during our short time together. Check out new program areas, make new friends, or re-engage with old ones. You never know which friendship you build this weekend may last a lifetime.

Cheerfully,

Anthony Peluso
2016-17 SR-7A Section Chief

ORDER OF THE ARROW
**HISTORY
 MUSEUM**
 PRESENTED BY SR-7A

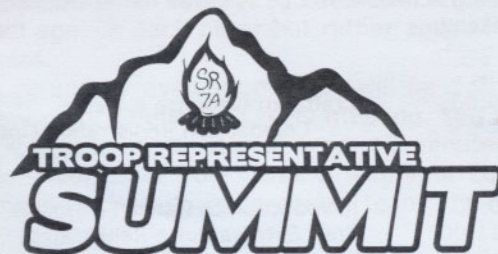

This year, the OA Museum, located in the **Gregson Center**, will showcase the fuel for SR-7A: its Arrowmen, lodges, and traditions. Highlights of the exhibits include a comprehensive collection of SR-7A memorabilia, a look at past conclave service projects, American Indian Activities (AIA), SR-7A-produced national officers, history of the section logo, and much more. The history of the service lodge, Blue Heron, will also be on display. Museum staff will interview past Section Officers and engage you, the museum's guest, to explore how you might shape the future of the section.

OA
 HIGH
 ADVENTURE
 AREA

Experience the sights, sounds, and smells of the Order of the Arrow's High Adventure programs, held every summer at Philmont, Northern Tier, the Summit, and the Florida Sea Base! Start off your Saturday with the Polar Bear Plunge at 8:30 am at the Waterfront (closed-toe shoes required). After breakfast join us for a session discussing packing for a high adventure trek and setting up a campsite in bear country; a session where Arrowmen will talk about their past experiences at the different

OAHA programs; and a guided hike through Pipsico. After lunch there will be Dutch oven cooking, branding, fire by friction demonstrations, the Flatland Bluegrass Band, and a fire where we can share stories about our High Adventure experiences. The Climbing Tower will be open in the morning and the afternoon for Arrowmen looking for a bird's eye view of Pipsico Scout Reservation.

The Troop Representative Summit is a top-notch, invitation-only training event for current Troop Representatives and Advisers which will equip these Arrowmen to improve the connections between their troop and lodge. The Summit will occur on Saturday morning at the K Building in Camp Kiwanis. **All attendees should eat during the first breakfast shift (your nametag will give you permission to go to the front on the line) and then board a shuttle to the training location beginning at 7:20 am from the shuttle stop near the Burton Center.**

American Indian Activities will be located at the Parade Field in the AIA area denoted on the Camp Lions map (pages 16-17) during Conclave 2017. Look for the tipis and be sure to stop by during the weekend.

Specific ceremony evaluation times will be distributed at the Friday night Council of Chiefs meeting. You will check in at the Scoutcraft Shelter at least 15 minutes prior to your evaluation time slot. Confirm with your Lodge Chief for what time your lodge's ceremony team(s) will be evaluated.

Also, be sure to participate in the **Ceremonies Roundtable** at 10:00 pm on Saturday.

All Ceremony Evaluations will be held at the Scoutcraft Shelter.

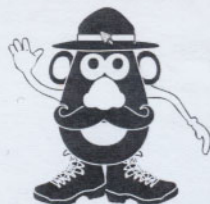

CONCLAVE SERVICE PROJECT

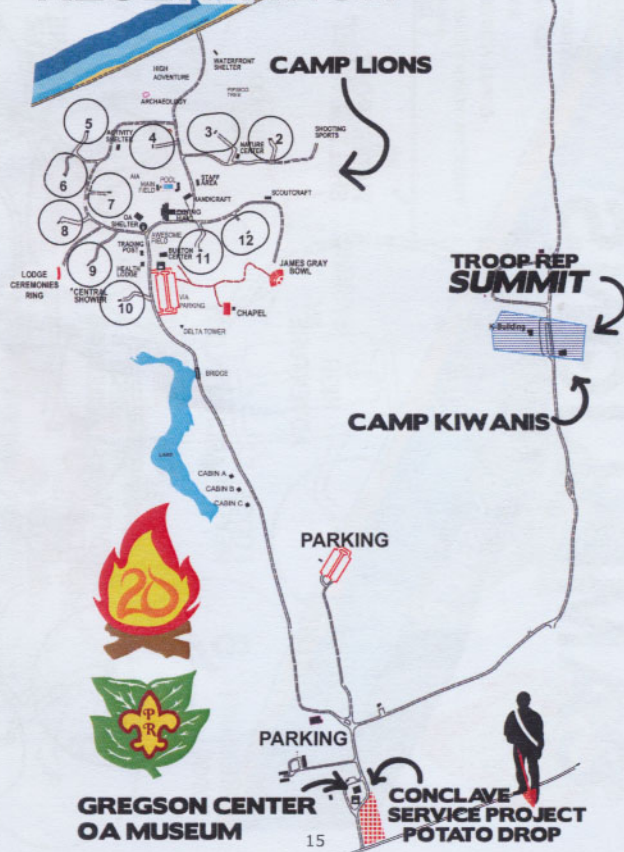

This year SR-7A will be holding 2 service projects which are old favorites that we decided to bring back from past Conclaves: The Potato Drop and, weather permitting, the Blood Drive!

Both of these projects will be held in the area near the Gregson Center at the entrance to Pipsico Scout Reservation. They will each be open from 9am-5pm on Saturday! The potatoes donated in the potato drop will go towards feeding the local community, and the blood donated will be used by Virginia Blood Services to benefit those in need throughout our Section! Stop by and give some cheerful service!

QUEST FOR THE GOLDEN ARROW

The competition for the GOLDEN ARROW Award will be based on a point scale. The lodge with the most points at the end of the competition will be the winner! The following five (5) events will comprise the GOLDEN ARROW competition during Conclave 2017:

**Lodge Ball
Ultimate Frisbee
Volleyball
Tug of War
Fire Building**

Each place in each event is worth the following amount of points. Fire Building will be worth double the amount of points as the other four (4) events:

- **1st = 100 points (Fire Building = 200 points)**
- **2nd = 75 points (Fire Building = 150 points)**
- **3rd = 50 points (Fire Building = 100 points)**
- **4th = 25 points (Fire Building = 50 points)**
- **5th and 6th place will receive no points except in Fire Building where 5th and 6th place are each worth 25 points**

NOTE: To encourage lodge participation, an additional 500 points will be added to the score of all lodges that compete in all 5 of the Quest Events.

Complete rules for all Quest events were distributed to Lodge Chiefs prior to Conclave, they are on the SR-7A Website, and they are available from either the Quest CVC or Adviser.

Lodges are reminded of the following overall rules that apply to all Quest Events:

- If at any time during a competition a lodge is caught cheating, they will be automatically disqualified in that particular Quest Event.
- Cleats or other studded shoes are not permitted in any Quest Event. Failure to comply will result in immediate disqualification of the offending lodge in that Quest Event.
- A total of 100 points will be deducted from the total GOLD-EN ARROW competition score of any lodge that does not provide the requested number of judges.
- If a lodge has a question or concern about any ruling made by an event Judge, such concerns may only be voiced to the event Judge by the Lodge's Team Captain (i.e. no one besides the Team Captain should engage with an event Judge over any ruling).
- The Quest Conclave Vice Chief is ultimately in charge of all Quest Events.
